From (Name) Major-General G.G.Giffard, C.S.I., K.H.S., I.M.S.,

(Designation) Surgeon-General with the Government of Madras.

To The Secretary to the Government of Madras,

LOCAL SELF GOVERNMENT (PUBLIC HEALTH) Department.

Sir,

In forwarding herewith copy of letter from the District Medical and Sanitary Officer, South Kanara together with copy of proceedings of the meetings of the Advisory Committee of the Head quarter Hospital, Mangalore dated the 21st April 1922, I have the honour to state that I quite agree with the remarks of the District Medical and Sanitary Officer, and request Government to accord sanction for the construction of a temporary ward for the accommodation of 20 in-patients in the Head quarter Hos

pital

Hospital, Mangalore.

I have the honour to be,

Sir,

Your Most Obedient Servant,

Major-General I.M.S.,

Surgeon-General with the Government of Madras.

Copy of a letter C.No.123/22 dated the 21st April 1922, from the District Medical and Sanitary Officer, South Kanara, to the Personal Assistant to the Surgeon-General with the Government of Madras.

I have the honour to enclose herein a copy of the Proceedings of the meeting of the Advisory Committee of the Government Head quarters Hospital, Mangalore, dated the 21st April 1922 and to state that the authorised accommodation for in-patients is 38. As this is quite inadequate for a town of the size of Mangalore additional accommodation is provided by putting patients in the verandahs of the hospital and using certain rooms not intended for such purposes and whichare wanted for other purposes. By these means accommodation is provided for an additional 40 patients. Such an arrangement is inconvenient. It necessitates a certain amount of overcrowding. The verandahs are unsuitable as they are too hot in the summer months and too exposed during the monsoon. The patients are more or less exposed to public view which is undesirable from both points of view. There is no reserve of accommodation should any epidemic occur in the town. All the cases admitted as such as cannot be adequately treated outside and necessitate rest in bed and it would be difficult to evacuate them to make room for the victims of an epidemic, say of influenza.

As Government have decided not to provide funds for the new hospital proposed and as it may be a long time before funds are available it is considered advisable to erect a shed in the hospital compound to accommodate an additional 20 in-patients. The shed would consist of a platform with pillars to support the roof. The walls to be of laminate sheeting or wood with an air space above and below. The roof to be tiled and with an inner layer of ceiling tiles. The floor also to be tiled. The materials could be used subsequently in the

in the construction of the new hospital should such a proposal ever materialise. Should Government sanction the construction of this temporary building at a cost say, not exceeding Rs.5000/- a detailed estimate and plan could be made out and the work started immediately.

Proceedings of the meeting of the advisory Committee of the Government Head Quarter Hospital, Mangalore, dated the 21st April 1922.

PRESENT.

M.R.Ry.Rao Bahadur N.Subba Rao, Avl., President, District Board, South Kanara.

Major J.Kirkwood, I.M.S., District Medical & Sanitary Officer, South Kanara.

M.R.Ry.N.Venkat Rao Avl., Chairman, Municipal Council, Mangalore

" Rao Bahadur S.Raghunathaiya, Avl.,

The members unanimously elected M.R.Ry.Rao Bahadur N.Subba Rao Avl., As Chairman of the meeting.

The committee considered the urgent necessity for the construction of a new ward for the accommodation of in-patients.

The Committee unanimously agree as to the urgent necessity for the construction of a temporary ward for the accommodation of 20 inpatients. The District Medical & Sanitary Officer, is empowered to address the Government through the Surgeon-General.

Refer your 2. re Construction of a temp ward for in patient Manegalore No Gr Hospl. Est. is not to exceed 5000/- Please see letter from A. D. M.A. & S.O. South Kanara Coast of which was forwarded with this office No. 1800 G-1 dt 2-5-22.

Le & G (P.H.) Dept

C No. 8884 From the Sec. to G. No 1800 G-1 d 2/5/22

Subject - Construction of a temporary ward Head Quarters Hospital, Mangalore

U.S.

The G.A. recommends the construction of a temporary ward for 20 in-patients in the Head Quarters Hospital, Mangalore at a cost not exceeding Rs 5000.

2. The hospital at present provides 38 beds and had an average attendance of 49.72 in-patients in 1920, 56.8 in 1919, and 55.93 in 1918, the number of beds being the same in all the three years. The D.M.O. states that 40 additional patients are accommodated in some of the rooms of the hospital, and in the verandahs. This necessitates overcrowding and the patients are moreover exposed to the public view and the convalescents of the [redacted] Under these circumstances it is impossible to provide for patients during times of epidemics. An increased provision for the accommodation of more in-patients seems necessary.

3. It has been decided to defer the construction of a combined hospital at Mangalore, till the financial position improves (Go. No. 215-P.H. dated 8-2-1922) No provision has been made in the C.B.E. for 1922-23 for the work in the present case. There is a provision of Rs 35,000 in the C.B.E. for petty improvements and repairs to Head Quarters

Received in G.O. 1 S.G.
